## KEY CLUB

### District Service Project

This year we are really stressing the importance of our District Service Project: Sleeping Children Around the World. This is a service project we will all be doing together, as a District.

As Key Clubbers, we all have the amazing ability to get out there and do service, together. We get out there and help out in our homes, schools and communities everyday. Of course, this is our main focus. One of the aspects that make Key Club so fun is that we get to do the service together, with other teens our age. **Our Core Values:** These are the values that will withstand the test of time.

- Sleeping Children Around the World believes that it is the basic right of every child to have a comfortable night's sleep. (Murray's and Margaret's Dream)
- Sleeping Children Around the World guarantees that 100% of bedkit donations goes to bedkits and that no portion of bedkit donations goes to cover operating costs.
- Sleeping Children Around the World strives to provide hope and always aims to preserve the dignity of the child.
- Sleeping Children Around the World verifies that each bedkit is received by a needy child.
- Sleeping Children Around the World is dedicated to the concept of free-will giving. We seek to spread the word about Sleeping Children through personal contact. We do not seek donations by telemarketing, door-to-door appeals, mass-mailings or professional fund-raisers.
- Sleeping Children Around the World does not request or accept government funding.

### How To Collect Donations

1. Please send your money directly throughout the year to Sleeping Children. SCAW [www.scaw.org](http://www.scaw.org) for Eastern Canada Key Club and tally our donations. Mark your donation Eastern Canada Key Club.
2. SCAW, 28 Pinehurst Cr., Toronto M9A 3A5 1-866-321-1841
