Dear Division 4,

Life, as always, has been quite eventful! I recently started hosting meetings for the Outreach Subcommittee of the Eastern Canada District Membership Taskforce, and it's been very successful! The team is great, and we have some very exciting and ambitious projects for the next few months, including starting a podcast for the Eastern Canada District!

The Kiwanis Lieutenant Governor of our area and I plan on visiting the Key Clubs of Division 4 in the next couple of months, which is super fun! Lastly, I highly recommend that you check out the wonderful Winter Service Challenge that the Membership Development and Growth Committee of the ECD District Board have created, which I will be discussing in this newsletter.

Keep on demonstrating leadership, character building, caring and inclusiveness, as you always do, Division 4!

Governor's update

Hello, mighty leaders of the Thundering Waters Division!

I hope you are all well! I am beyond excited for the Christmas holidays and the cheer that follows the festivities, and I hope you are all too!

Although this past month has been quite busy for the Eastern Canada District Board and me, we've accomplished so much! As many of you know, the District Administrator and I opened applications for our vacant District Bulletin Editor position. We received a myriad of applications from excellently qualified Key Clubbers, however, we will be welcoming Sophie Longval of the Capital Division to our District Board of Trustees!

I am so happy to also announce that DELC (District Education and Leadership Conference) registration will be opening in the following month! DELC will be held in Niagara Falls at the Crowne Plaza Hotel from March 23-26th. I cannot wait to meet you all and honour all of the hard work and service you have accomplished this service year! Ensure you follow the @ecdcki account for more updates about our District Convention.

Yours in service and leadership,

MARIA EILEEN WHEELER

DELIC

DELIC, or the District Education Leadership Conference is an annual event for all Key Clubbers in the Eastern Canada District! This year it will be held at the Crowne Plaza Hotel in Niagara Falls, from March 23rd to March 26th, 2023.

Key Clubbers from all over Eastern Canada will meet up for a three-day convention full of service projects, workshops, guest speakers, talent shows and more!

Key Clubbers and Clubs have the chance to win awards for their efforts throughout the year and see the new District Governor, District Executive Assistant and Secretary-Treasurer elected!

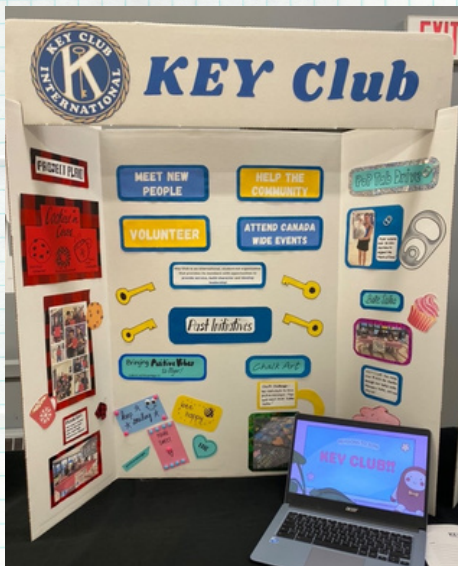

If you need help to pay for DELIC, we suggest that you pay for 1/3 of the cost, fundraise 1/3 of the cost through your home club, and ask a Kiwanis Club to cover the remaining 1/3.

Club Spotlight

At AN Myer Secondary School's Open House this month, the cafeteria was turned into an Extracurricular Fair! AN Myer Key Club did not disappoint with their lovely presentation, promoting Key Club to students who will be attending the school next September.

I hope that other clubs may see this, and feel inspired to do the same! I would also like to thank the AN Myer presidents for being so dedicated and for all of their continuous hard work!
